## Summary

---

Narrative-focused writer with experience developing fantasy RPG settings, producing narrative documentation, and collaborating with multi-disciplinary teams to deliver satisfying narrative experiences. Strong background in narrative design, game writing, and digital media tools. Seeking an entry-level position in narrative design, game writing, or interactive content development where I can create high-quality interactive experiences.

## Education

---

University of Central Florida | 2022–2026 (Expected), GPA 3.47

- English BA Creative Writing, Digital Media Minor

## Projects | Portfolio: [jenningsmas.github.io](https://jenningsmas.github.io)

---

Narrative Design Lead – Studio Mysmos | 2025-2025

- Developed a unique fantasy world for an action RPG video game including background lore, diverse factions, and unique story paths.
- Produced and edited structured narrative documents ranging from 40,000-60,000 words.
- Established documentation and communication standards to improve team coordination.

Academic Projects

- Developed 60 page Narrative Design Document in Writing For Video Games outlining a branching storyline, multiple factions, character backstories, a unique magic system, and possible gameplay elements.
- Authored a 30 page screenplay for Scriptwriting Workshop focusing on strong dialogue, worldbuilding, and character development.
- Authored short stories ranging from 2,000 to 5,000 words emphasizing strong narrative through lines, deep characters, organized structure, and grammatical accuracy.

## Skills

---

- Narrative design documentation
- Worldbuilding, character development, quest development
- Adobe Creative Suite, Figma
- HTML5, CSS, Javascript, XML, SQL
- Technical writing for interactive media
- Unity, Unreal Engine 5, and Godot

## Experience

---

Substitute Teacher – Seminole County Public Schools | 2025-Present

- Supervised classes of 25+ students daily demonstrating leadership and clear communication in a volatile environment.
