## Summary

---

Writer with 1+ years of experience creating engaging, audience-focused content, producing clear internal documentation, and collaborating with cross-functional teams. Skilled in developing and editing, brand-aligned messaging, technical documentation, and internal communication materials. Strong foundation in copywriting and digital media tools, with additional experience in technical writing and narrative design.

## Education

---

University of Central Florida | 2022–2026 (Expected), GPA 3.47

- English BA Creative Writing, Digital Media Minor

## Experience

---

Game Writer – The Donovan’s Venom | 2026-Present

- Wrote dialogue scripts for use in an in-development narrative-focused video game.
- Developed and maintained clear internal documentation and consumer-facing content in collaboration with a 5-person writing team.
- Edited and proofread narrative deliverables such as character sheets, dialogue scripts, and beat sheets focusing on aligning new and existing content with project goals.
- Partnered with a 50-person cross-functional team to align with project goals, maintain continuity, and support production needs

## Projects

---

Narrative Design Lead – Studio Mysmos | 2025-2025

- Developed clear, consistent, and functional narrative materials for an RPG video game.
- Produced and edited internal documentation to streamline communication of critical narrative information.
- Established writing and communication standards to maintain team continuity and alignment with project goals.

Academic Projects

- Developed 60-page Narrative Design Document in UCF’s Writing For Video Games course outlining a branching storyline, multiple factions, character backstories, a unique magic system, and gameplay elements.
- Authored a 30-page screenplay for UCF’s Scriptwriting Workshop focusing on strong dialogue, worldbuilding, and character development.
